

Application for Maryland County Pride Stickers

The MDOT MVA is proud to offer Maryland vehicle owners the opportunity to obtain county pride stickers. The stickers are for display on standard Maryland Proud plates, War of 1812 plates or standard black and white license plates only and cannot be displayed on the Bay, Agricultural, or Organizational Plates.

The sticker must be displayed on the bottom center of the rear license plate without obscuring the numbering series of the plate. You can proudly display the sticker, which reflects the county you live in, on your car (class A), truck (class E), or multi-purpose vehicle (class M).
