RAPID Program Update – May 25, 2022

On Friday, April 29, 2022, the Department of Maryland State Police, RAPID unit was notified by LeadsOnline of their acquisition of Business Watch International (BWI), which has been the platform provider for the RAPID program for the State of Maryland.

The Department of Maryland State Police and the DMSP RAPID Unit have had initial meetings with LeadsOnline and have additional meetings planned in the forthcoming weeks. As information is gained it will be processed and shared with RAPID administrators and dealers. As a reporting dealer involved in the RAPID program, we want to ensure you that during the transition, RAPID operations will continue and should be conducted in the same manner as they are being done currently. All questions should be routed to your county RAPID administrator or msp.rapid-helpdesk@maryland.gov

Sincerely,
Jesse Haas – First Sergeant
RAPID Unit Commander
