RE: REMINDER: Driver Skills Test Scheduling

It has been brought to our attention that driving schools are reserving skills testing appointment slots for their students. In many cases, multiple appointments are being scheduled and were scheduled in one name and then later changed to a different name prior to the appointment date and time.

This bulletin is serving as a reminder, Driving Schools are prohibited from scheduling skills test appointment for their students. It is the responsibility of the student to do so. MDOT MVA will be canceling duplicate appointments to ensure all customers have access and administrative action will be taken, if necessary. Please ensure all staff and personnel are aware of this communication.

If you have questions or concerns, please contact MDOT MVA Business Licensing and Driver Instructional Services at 410-787-2950 or mvablsd@mav.maryland.gov
