RE: Distance Learning Class Capacity

Effective Monday, June 15, 2020, the maximum class capacity for classes offered through distance learning will be increased from the current twenty (20) students, to a maximum of thirty (30) students.

The MDOT/MVA is closely monitoring the number of BTW hours owed to students. Schools participating in distance learning are required to continue using the BTW Tracking Spreadsheet and must submit the updated spreadsheet as an email attachment on or before the 5th of each month.

Your continued cooperation is greatly appreciated.
